## BIG TRIP FOR TRAP SHOT

John S. Boa Is Scheduled to Meet Best Shots in the World in Competition.

John S. Boa, the crack local trap shot, leaves today for an extended trip, and before returning home will meet the best trap shots in the world in competition. From Salt Lake Boa goes direct to Anaconda, where he shoots on May 30 and 31. From there he proceeds to Sheridan, Wyo., for the tournament on June 1 and 2. The Montana state tournament will be the next place visited. It is held at Livingston on June 12, 13 and 14. Here Boa jumps east and is up against the real thing in the shooting game. The international "indian" tournament is held this year at Sandusky, O., and all of the best shots in the world will be on hand to compete. The Indians is an organization in Canada and the United States and its main aim is to shoot some to become a member. Next in line is the Grand American, where the championship of the United States is decided for the year. It is held at Columbus on June 22 to 26. Boa is shooting in good form this year and his friends expect him to go some in this event.

## L. D. S. U. DEFEATS B. Y. U.

Grant Wins a Pitchers' Battle at Provo—Saints Have Good Lead in Race.

(Special to The Herald.) Provo, May 26.—The L. D. S. U. further increased its lead in the race for the state college championship by defeating the B. Y. U. here today by a score of 3 to 1. In spite of a heavy field and threatening weather, which held down the crowd, the game was a fast one, being played in one hour and fifteen minutes. It was a pitchers' battle from beginning to end with Grant of the Saints having the best of the argument. The Bountiful farmer struck out thirteen men, including three in the last inning. He allowed but five hits, while Johnson, the B. Y. U. star twirler, gave six men safe singles and struck out five of the Saints. The L. D. S. U. scored their three runs in the fifth inning and the lone tally for the B. Y. U. came along in the seventh.

## COACH FOR HIGH SCHOOL.

Principal Eaton Promises One for Next Year.

At a meeting of the members of the track team of the High school officers were elected for next year. Lewis Karick was re-elected to fill the position of captain. Karick is a long distance man and has made a name for himself in these events. William Williams was elected to fill the position of manager. The past year has been a most disastrous one for the High school in athletic lines, owing to the fact that they have had no coaches except in baseball. The baseball team has just won the section with a perfect standing. Principal Eaton consoles the track men by telling them that he has secured some eastern man to take charge of athletics next year.

## OVER SEVENTY ENTRIES

Decoration Day Road Race to Lagoon Promises to Be Record-Breaker.

From all indications the Decoration Day road race this year will be much larger than even last year's, with still a number of riders to hear from, the worst of seventy-two ambitious youngsters who desire to show a trainload of people how to burn up the road between Salt Lake and the Lagoon on Decoration day. Incidentally they have a desire to pull down one of the fifty odd prizes offered.

Manager Rippetto said last evening that he would leave the entries open until 6 o'clock tonight to take care of any that may come through the mails or any stray entries. When they are all in, it is expected over eighty riders will be on the starting line, which will be one of the largest fields, if not the largest, that ever started in the fourteen years that this race has been run.

The handicap committee will get busy tomorrow and handicap the riders and have them in shape for Saturday.
